

IMCC – LIST OF RALLYS IN 2026

I welcome members to the 2026 rally Calendar. As some sites are closed presently, we are unable to book or determine the exact cost of the rally. When these have been confirmed you will receive a text message and notification on the Camper Friends Facebook page in good time prior to the rally. At our rallies we ask that you report to the Rally Marshall on arrival, please bring your membership card and the correct money for the rally. Please take note of the booking arrangements for each of the rallies.

In putting the 2026 rally programme together I would like to sincerely thank all those who have agreed to organise a rally. I would also like to thank all members in advance for their co-operation. In the event that any member has a query please do not hesitate to contact me on:
